

Creative

Burkhart is proud to offer its clients the creative services of Extra Credit Projects, a creative firm with a unique niche in out-of-home media. Their special insight and strategic knowledge into what works and what doesn't in the outdoor arena is exemplified by the recognition they have received locally, nationally and internationally at the Addys, the Obies and Cannes.

The Burkhart/ECP partnership has produced over a dozen Addys across Indiana, as well as a 2009 outdoor media plan of the year award from the OAAA.
